EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, line 6, before "front portion", "the" has been replaced with - - a - -.

The following is an examiner's statement of reasons for allowance: The prior art of record alone or in combination fail to disclose a collapsible refuse funnel as claimed having particularly a front crease parallel to the front edge and a front portion of the body between the front crease and the front edge being bent downward at the front crease forming a lip and stiffening the front portion of the body such that the front edge and the portions of the body immediately adjacent the front crease remain substantially flat as recited in claim 1 and having particularly a body of rigid deformable and shape retentive material having a planar front portion and a generally cylindrical refuse passageway adjacent the rear edge formed by overlapping of rear corners and an attachment means for removably attaching a refuse container to the body as recited in claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 3632

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Korie H. Chan whose telephone number is 571-272-6816. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Leslie Braun can be reached on 571-272-6815. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
